

Co-branding without logos

In the example below we are the lead agency with multiple partners

SEMINAR TOPICS INCLUDE:

- List highlights of agenda here
- Or, choose another type of content can go here
- You could list speakers instead
- Or list top reasons someone should attend your meeting

WHO SHOULD ATTEND:

- List your audience
- Or use this space
- For another purpose
- Choose the info most likely
- To get your audience to attend

September 23-25

9 a.m. to 5 p.m.

Location: Again, what content you use depends on your needs

When cobranding: leave 3 block “O” widths between our logo and the external logo

In this example, we are the lead agency, and have partnered with the groups on the lower right

This is also a good choice when there are so many partners, that using logos would make the design cluttered

Co-sponsors include:
Easter Seals of Ohio
Mytown Community Bank
FoodStore Grocery
Mytown City School District
